

The Assassination of Charlie Kirk—Reaction

Fred R. Coulter—September 13, 2025

Look at the situation that just happened this past week; *the assassination of Charlie Kirk*. Now, he wasn't a Christian the way that we would say; that he was fully baptized and had the Holy Spirit of God. We don't know, ***only God knows!*** But he was a Sabbath-keeper. And he did have an organization called *Turning Point*. Now, that's close to repentance.

He would go to the colleges, and speak to the young people there who have been taught every major sin that there is that they're free to do. He would help them turn from what they were doing to doing what is right. And as a result, the God-haters everywhere hated him, hated those that were straightening out their lives. He preached to them to love God, to love Jesus, to look forward to being married and having children and a family. To all the audience of the young people who were given over to sexual immorality authorized by the society and the colleges that they attended.

He was out there trying to do some good and make a difference. So, on that level, we can say that he was doing what God wanted. He was not living in sin. He loved his wife. He loved his children. And he taught people to like and love each other and to not get carried away with their own desperation of sin. That their lives would be so much better if they would follow what is true.

Now for the sinful world we are living in, that was a pretty powerful message. It affected me for at least three days and I'm still not over it yet, after listening to Erica's statement of her being the wife of Charlie Kirk and the mother of their kids. She was very courageous in her statement. You need to watch it at least twice. Then ask yourself:

If something like this happened to my husband or my wife, would I have the same resolve as Erica Kirk? ***Because we're going to face it!***

So, we look at the world and we look at all of the haters of God and look what happened at the Congress when they wanted to take a couple of minutes to give silent devotion to the memory of Charlie Kirk. ***The Satanic Democrat Party booed! There were people who cheered Charlie Kirk's death!***

God knows these things are happening! We're going to see what God has to say. Let's see how it is that God looks at this nation and all the things that are being done, ***and especially the great sin of transgenderism!***

- that is an absolute impossibility
- that is absolutely against God

The Supreme Court, which in holding up the Constitution, they need to read the Declaration of Independence about God-given rights. They need to make moral judgments that these people who claim to be transgender are a great danger:

- to the society
- to themselves
- everything around them

because

- they foster sin
- they foster wretchedness

Look at how many murders recently have been done by those who were under the care of the doctors for transgender!

Even just starting school, one girl came home from school and asked her mommy, 'Mommy, am I a boy or a girl?' Now think of that! ***That came from her first day in school!***

We're going to see great and evil things take place! And they come because:

- the whole so-called Christian world ***has rejected God***
- the whole Protestant world ***is in total confusion***
- the Jews only want to do ***what they want to do***
- the Muslims want to ***kill the rest of the people of the world***
- the Catholics ***don't know that they're pagan to the core***

Let's read how God looks at this:

Ezekiel 7:1: "Moreover, the Word of the LORD came to me, saying, 'And also you, son of man, thus says the Lord GOD to the land of Israel...'" (vs 1-2). ***That's wherever the Israelites are today:***

- America
- Britain
- Northwestern Europe
- Australia
- New Zealand

wherever the ten tribes are, and to the Jews in Jerusalem!

"...An end! The end has come upon the four corners of the land" (v 2). ***We are approaching that!***

We're approaching a time that unless there is some turning point, some repentance, that it's going to come. It won't be pleasant; ***it will be evil!*** Here's what God says:

Verse 3: "Now the end has come upon you, and I will send My anger upon you and will judge you

according to your ways, and will lay upon you all your abominations.” *What are the abominations?*

- transgender
- homosexuality
- adultery
- murder
- lying
- cheating
- stealing
- corrupt politicians
- judges who lie
- the whole school system devoted to teaching satanism

God’s judgment is going to come!.

Verse 4: “And **My eye shall not spare you, neither will I have pity. But I will repay your ways upon you, and your abominations shall be in your midst; and you shall know that I am the LORD.**”

Now we’re right on the brink of all of this right now. Look at the response of those people who hated Charlie Kirk just because he was teaching young people:

- don’t get involved in illicit sex
- don’t get involved in homosexuality
- you need to love God
- you need to love Jesus
- you need to come to Him

And he was assassinated!

Now they find out that the one who did it was a homosexual living with a transgender^[transcriber’s correction].

You cannot defy God and get away with it! Unless there are changes and repentance according to what Bruce Bird brought out—message: *What is Repentance?—there will be no change.*

Verse 5: “Thus says the Lord GOD, ‘**An evil: Behold, an unheard of evil has come!**’”

Where do you even find in the Bible other than Sodom and Gomorrah that there was transgender? *And transgender is **an unheard of evil in defiance against God!***

- every doctor
- every teacher
- everyone who promotes it

should be segregated from the rest of the population!

Verse 6: “An end has come, **the end has come! It awakes against you; behold, it has come.** The encirclement of doom has come unto you, O dwellers of the land....” (vs 6-7).

That is coming! This is just a foretaste of what happened with Charlie Kirk. But look at the reaction of the people. There are going to be some who are going to do good. But there are going to be multitudes who will continue in their evil.

Verse 8: “And **I will soon pour out My fury upon you,** and fulfill My anger upon you. And I will judge you according to your ways, **and will repay you for all your abominations.**

You want to know what the abominations are? Read Lev. 19 & 20. All of the evil sex practices that are going on and accepted today, plus all the murders, all the thievery, all of the corruption of politicians. For those who are trying to do good,

- they’re hated
- they’re despised
- they are subject to being killed

Verse 9: “And My eye shall not spare, neither will I have pity; I will repay you according to your ways and your abominations *that* are in your midst. And you shall know that I *am* the LORD who strikes.”

Think of it, ***because it will come!*** We’ve never thought that the end would be as bad as it is. We never thought that things would come to where it is right now, and we haven’t even gotten close to what I’m going to read here.

Verse 10: “**Behold the day! Behold, it has come; the encirclement of doom has gone out;** the rod has blossomed; arrogance has budded. **Violence has risen up into a rod of wickedness.** None of them *shall remain*, nor of their multitude, nor of any of their riches; nor *shall* there *be* wailing for them. **The time has come; the day has arrived.** Let not the buyer rejoice, nor the seller mourn; for wrath *is* upon all her multitude. For the seller shall not recover the thing he has sold as long as both of them live...” (vs 10-13).

And so forth. You can read it there. That’s quite a thing.

Let’s understand what’s going to happen here because of all of this. We know that God is going to come against us, His hand of correction will be coming, and it’s going to be difficult indeed.

Now, let me show you exactly how it is in the land, how it is in the world, and why it’s going to come to what we have here. That gets down to, as we will see, Babylon the Great. I’m going to give you a report here to show you what recently happened in Rome at the Vatican and at St. Peter’s Basilica.

Article: **LGBTQ Cross Carried Into St. Peter’s Basilica, Pope Leo Urges Bishops to Celebrate Pride Mass**

{<https://protestia.com/2025/09/07/lgbtq-cross-carried-into-st-peters-basilica-pope-leo-urges-bishops-to-celebrate-pride-mass/>}

LGBTQ: That is for all of the sexual perverts, and here is a picture of them, All coming to St. Peter's Basilica. Are they coming to repent? *NO!* What are they doing? Let me read it.

For the first time in history, a rainbow-pride cross was officially proceeded into the heart of the Vatican after hundreds of LGBTQ Catholics...

Now, doesn't that tell you why there are homosexual priests, pedophile priests, transgender priests?

...attended Mass, in St. Peter's Basilica...

This is an abominable act of religion that is actually against Christ. And it is in devotion to Satan the devil at Satan's headquarters in Rome.

...with the blessing of Pope Leo, who personally encouraged the vice president of the Italian Bishops' Conference to celebrate Mass with them.

Here they are, walking in, carrying that cross. This is one of the abominations that we just read about in Ezek. 7.

More than 1400 of these LGBTQ Catholics and the their families...

How can that be?

...have descended on the Vatican over the past week making a pilgrimage for the 2025 Jubilee, a major Roman Catholic event celebrated every 25 years.

That if you go there, your sins are automatically forgiven. ***What a blasphemous abomination!***

These events are sponsored by *Jonathan's Tent*, a pro-LGBTQ activist group dedicated to advocating for full acceptance, inclusion, and celebration of LGBTQ Catholics in the life of the Church. The group is named "Jonathan's Tent"...

Why?

...because they believe Jonathan and David had a homosexual relationship

So you see the perversion that is going on!

Here it shows they're all holding hands. And on the back of their shirts they had a great expletive against any rules, walking into the Vatican.

If there's any Catholic out there who thinks for one minute that anything to do with the Roman Catholic Church has to do with the *true* God, *you got another thought coming!*

Now, it shows them all on the inside the Vatican! Quite a thing! Whoever thought it would

come to that? I don't even think that Catholics would have thought that that would have come to pass the way that it did! Let's see how it's described back here in Rev. 17.

And it describes here very clearly what is developing, what is being done right now, and its name.

Revelation 17:1: "And one of the seven angels who had the seven vials came and spoke with me, saying to me, 'Come here; I will show you the judgment of the great whore who sits upon many waters.'" *Now the many waters are peoples and nations.*

Verse 2: "With whom the kings of the earth have committed fornication...":

- wickedness
- spiritual wickedness
- sexual wickedness
- civil wickedness
- governmental wickedness
- religious wickedness

Verse 3: "Then he carried me away in *the* spirit to a wilderness; and I saw a woman sitting upon a scarlet beast that had seven heads and ten horns, full of names of blasphemy."

Now we got a new booklet we're going to come up with: ***Mystery Babylon the Great!*** It's one of the best summaries about how the religious system got to this.

"...seven heads and ten horns..."

We're going to see that this vision in Rev. 17 is depicting things right at the close before the return of Christ.

Verse 4: "And the woman *was* clothed in purple and scarlet, and *was* adorned with gold and pearls and precious stones; *and* she had a golden cup in her hand, filled with abominations and *the* filthiness of her fornication; and across her forehead a name *was* written: MYSTERY, BABYLON THE GREAT, THE MOTHER OF THE HARLOTS... [that's all the religions] ...AND OF THE ABOMINATIONS OF THE EARTH" (vs 4-5).

All the immoral sexual practices; everything comes from the heart. Everything comes from that Babylon the Great. And this is what is going to encompass the whole world.

Now notice another description of her because what she has done down through time. What has Rome done down through time? *Killed everyone who wanted to follow the Bible!*

Verse 6: "And I saw the woman drunk with the blood of the saints..."—*all the truly converted!*

How many were there? I've been reading, thanks to John Gunther, about the Waldensians. And the Waldensians had the Bible; they had it in their own translation.

The Jesuits and the Catholics and the Catholic governments came after them to kill them, to martyr them, to torture them.

If you ever have an opportunity to see a special called *Brotherhood of the Blood*; you will see the Spanish Inquisition and the absolutely hideous and most vile and cruel things they did:

- to those who love God
- to those who wanted to keep His Word

We have this with Charlie Kirk. He wasn't a pure Christian as we would call it. But he was certainly doing what was good.

"...with the blood of the martyrs of Jesus..."
There are two kinds of martyrs:

1. saints
2. those who die for the name of Jesus

Because they believed! How deep does their belief go? ***Goes deep enough that they will stand and be executed for believing in Christ!***

John writes this; "...And after seeing her, I wondered with great amazement. Then the angel said to me, 'Why are you amazed? I will tell you the mystery of the woman, and of the beast that carries her, which has the seven heads and the ten horns'" (vs 6-7).

Now we're going to see what it's all about. It's there:

- **BABYLON THE GREAT**—*religion is already working!*
- **THE MOTHER OF THE HARLOTS**—going to bring all religions together

That goes back to chapter 6 in the book of Revelation about the first seal, which is the white horse, goes out conquering and to conquer.

- How many people have ever heard of The Parliament of World Religions? *Not many! This has been here since the 1990s.*
- How many people have heard of their publication/book: *World Scripture?*

Here it is, I've had it for years. And what is this? *This is a combination of bringing all religions together.*

That's exactly what ***this woman who is sitting on a scarlet colored beast*** is in bringing ALL the religions together. It says this.

This book appears at a special time in human history. Ecumenical practices are at

an all-time high. Religious barriers are dissolving. And a new age of practical, philosophical understanding is drawing. People are coming, recognizing the absolute necessity of world peace of our planet with its variety of races, religions, cultures, and traditions to survive.

Now it's got, from every religion the so-called 'good sayings.' And Rome is going to be the center to bring it all together.

It's important to understand because there is quite a confusion in the minds of some people. Seventh-day Adventists believe that the pope is the beast, and that the pope is going to be the one who goes in and sits down in the temple—that the Jews are going to build—and proclaim himself as 'God.' ***That's not true***, because there will be

- a world government
- a world leader
- a world religion

In Rev. 13, we see a same similar pattern. *Seven heads and ten horns!* In Rev. 17, it says ***that these ten horns are ten kings who are going to make war against Christ!***

But Rev. 13 is very interesting indeed, from this point of view: *instead of one beast, **there are two!*** There are some people who believe that the pope is the beast, *which he's not*, and that the pope is going to be the one who will go into the Jewish temple and say he's 'God,' *which is not true*.

We find here in Rev. 13 the full description of it given again. Now it's very important that it is there, so that we can understand the things that are going to happen at the end.

The first beast—Revelation 13:2: "And the beast that I saw was like a leopard, and his feet like the feet of a bear, and his mouth like the mouth of a lion; and the dragon gave him his power, and his throne and great authority."

Remember when Jesus was being tempted by Satan the devil, he told Jesus:

If you will bow down and worship me, I'll give you all the kingdoms of the world. For it has been delivered to me and I give it to whomsoever I will.

So here we see what's going to happen. When Satan has the authority to set it up.

Then we find in v 3: "And I saw one of his heads as if it were slain to death, but his deadly wound..."

We don't know exactly how that's going to come about. When it's compared to some aspects of

‘the beast’ in past time in Europe. They say that the ‘deadly wound’ was when Garibaldi took the civil authority from the Roman Catholic Church. ***That’s an absolute farce! That’s not true!***

Garibaldi did take away the civil authority. But what does it show in Rev. 17? *That the woman still rules the church.* This beast in Rev. 13 is the government.

It also shows not only does it come from Satan the devil. But we find here in:

Revelation 13:4: “And they worshiped the dragon... [one world religion] ...who gave his authority to the beast. And they worshiped the beast, saying, ‘Who is like the beast? Who has the power to make war against him?’”

Why? *Because they worship Satan and the beast!* The beast is the *civil one-world government!* Now there’s another aspect of it that we find in ***the second beast*** in:

Verse 11: “And I saw **another beast** rising out of the earth; and he had two horns like a lamb, but spoke like a dragon.”

That’s obviously another reference to the woman in Rev. 17. Only this time in the person of the pope instead of just the woman.

Verse 12: “And he exercises all the authority of the first beast before him; **and he causes the earth and those who dwell therein to worship the first beast**, whose deadly wound was healed.”

Whose deadly wound was healed. Now after it’s healed we find in 2-Thess. that he goes into the Temple of God and declares that he is ‘God.’

Well that is right here where the 2nd beast tells them to worship the 1st beast.

Verse 13: “And he performs great wonders...”

So there are going to be miracles that come. That the pope will do.

“...so that he even causes fire to come down to the earth from heaven in the sight of men” (v 13).

Then there’s going to be a whole worldwide movement.

Verse 14: “And he deceives those who dwell on the earth by means of the wonders that were given to him to perform in the sight of the beast, saying to those who dwell on the earth that they should make an image for the beast, which had the wound by the sword, yet, was alive. And he was given *power* to give a *satanic* spirit **to the image of the beast, so that the image of the beast also could speak; and he causes everyone who will not worship the image of the beast to be killed**” (vs 14-15).

Then we have this: there comes a power with this system that is going to restrict the buying and selling of everyone. That’s called ***the Mark of the Beast!***

Verse 16: “And he causes all, the small and the great, and the rich and the poor, and the free and the bond, **to receive a mark in their right hands, or in their foreheads.**”

Now, a false interpretation of this is that this is forcing people to keep Sunday. This has nothing to do with Sunday or Sabbath worship. *This has to do with buying and selling!* That’s what it says right here.

Now, in the Greek, the mark is ‘charagma’ meaning ***even stamping an image of the ruler on the coins of money.*** It also means *to make or to carve.* It also means ***a man’s device.***

Now, we have that today with the whole digital system that we have, don’t we? That’s the foundation for what’s coming for buying and selling. Also, right now, in Vietnam, they are instituting the central bank digital currency. In China, they’re making it so that everyone has to operate off of their smartphone, and they also have facial recognition; *they know:*

- who you are
- where you are
- what you are doing
- what you buy
- what you sell
- everything that you do

That’s what the Mark of the Beast is going to be!

It’s NOT going to be Sunday-keeping vs Sabbath keeping. That no one may have the ability to buy or to sell ***unless he has the mark, or the name or the number of the beast!***

So everyone will be given a number. Now we have the first step of that in many nations here in America. What is the first step that we’ve had for a long time? Decades? ***Social Security!***

- Do you have yours memorized?
- What did they use that for?
- Do you want to get a bank account?
 - ✓ they want to know who you are
 - ✓ they want to know what your Social Security number is

I had a dispute with a man concerning that, and he said, he’s convinced that that has to do with Sabbath-keeping or Sunday-keeping. That is an old Seventh-day Adventist 18th century interpretation of the Mark of the Beast.

Even in our day, when they first came out with computers and things like this, we had no idea that it would lead to what it is right now.

- How many people have a smartphone?
- What do they have on the smartphone?
 - ✓ their whole life
 - ✓ their bank account
- How do they buy and sell? *They use the number!*

IF you're old-fashioned and you just have a credit card, but that credit card will be transformed into a digital identification of the person so you can buy and sell.

What are you going to do when you go into the bank and you ask for money? You write a check for whatever amount of money and you want cash. They say, 'Well, we no longer operate with paper currency.'

- Do you have a smartphone? *We can enter it in there.*
- What are you going to do?

That's the Mark of the Beast!

Now then, we know this. We've been there many, many times, but let's go over it again so we can see what's going to happen and watch how everything is gradually moving in that direction.

We know that even the Federal Reserve has plans for a central bank digital currency. Now, supposedly, Donald Trump is against it, but I don't think he'll be able to forestall it.

Here's what's going to happen when the Beast Power takes control. It's going to take control of:

- government worldwide
- religion worldwide
- business worldwide

The beast will be worshiped!

2-Thess. 2—we will see this brings us right up to the end-time. This also tells us how many false alarms have we had down through the history from when the Church began until now that Jesus is going to return. That Jesus is going to come this year. There was one man I saw—someone send me a clip on it—who said that Christ is going to return in September 2025.

2-Thessalonians 2:1: "Now, we beseech you, brethren, concerning the coming of our Lord Jesus Christ..." *That's what the whole book of Revelation is about!*

- How is it going to happen?
- What is going to take place?

- What is going to happen to the world?
- What is going to happen to the Church?

"...the coming of our Lord Jesus Christ **and our gathering together to Him**" (v 1)—*that's the resurrection!*

I need to give a message on that there ***will not be a rapture*** of the disappearing of millions of people. ***That is a lie!*** That is a false interpretation of Scriptures.

When the resurrection takes place, we will be raised from the dead or changed 'in a moment in a twinkling of an eye.'

- When? *At the last trumpet!*
- When does the last trumpet sound? *Rev. 12, the seventh trumpet!*

"...our gathering together to Him, that you not be quickly shaken in mind, nor be troubled—neither by spirit, nor by word, nor by epistle, as if from us, saying that the day of Christ is present. **Do not let anyone deceive you by any means...**" (vs 1-3).

And that's exactly what's going on today. All of these deceptions, all of these proclamations. All you have to do if you want to know how many false prophets there are, you can just go to YouTube, and you'll find thousands of them. Just like Jesus said that 'there will be many false prophets saying that ***he is Christ!***'

- everyone says, I had a dream.
- everyone says, 'God spoke to me'

You can know this for sure, ***God had nothing to do with them***; except 'the god of this world' Satan the devil.

Verse 2: "That you not be quickly shaken in mind, nor be troubled—neither by spirit, nor by word, nor by epistle, as if from us, saying that the day of Christ is present. Do not let anyone deceive you by any means because *that day will not* come unless the apostasy..." (vs 2-3)—*the great rebellion against God!*

- Did I not show you these pictures of all the transgenders right there in the Vatican?
- Is that not rebellion against God in a place where they rebel against God? *Yes, it is!*

Now, being in the Church as long as many of us have been, we would have never thought that anything like that would even happen. But it has happened, just like this:

"...the apostasy shall come first, and the man of sin shall be revealed—the son of perdition... [the first beast of Rev. 13] ...the one who opposes and exalts himself above all that is called God, or that is an object of worship; so that he comes into the

Temple of God...” (vs 3-4). *And there will be a temple!*

I looked back at one of my transcripts that goes clear back to 2011. And that’s what I was saying back in 2011.

“...into the Temple of God and sits down as God, proclaiming that he himself is God” (v 4). *That’s what Rev. 13 is talking about; **the whole world worshiped the beast!***

Verse 5: “Do you not remember that when I was still with you, I told you these things? And now you understand what is holding *him* back in order for him to be revealed in his own set time” (vs 5-6).

- we’re getting closer to that set time
- we’re getting closer to when it’s going to happen

Verse 7: “For **the mystery of lawlessness...**”

Isn’t it lawlessness having transgenders walk in to what most people think is the center of Christianity in the world? Come in with:

- all of their abominable practices
- all of their filthy sex habits
- all of their demon worship

It’s a fitting place for them to go!

Verse 7: “For the mystery of lawlessness is already working; only *there is* One Who is restraining at the present *time* until it arises out of *the* midst.”

- Isn’t that something?
- What did John say when he saw that beast?
- Comes out of the midst of what?

Revelation 13:1: “And I stood on the sand of the sea; and I saw a beast rising up out of the sea... [coming up out of the midst of everything]having seven heads and ten horns, and on his horns ten crowns...” (1-3)—*for* one hour with the beast (Rev. 17:12). *And they fight Christ!* Then it describes the whole thing here!

“...and the whole earth was amazed *and* followed the beast. And **they worshiped the dragon...**” (vs 3-4)—**Satan!**

A lot of people don’t think they’re **worshipping Satan!** *Let me ask you:*

- Are you a Protestant?
- Do you keep Sunday?
- Do you keep Halloween?
- Do you keep Christmas?
- Do you keep Easter?

You are worshipping Satan! Who presents himself as Christ!

Now the Catholics are even worse. In this society you can say there are good Catholics. ‘I know all our Catholics are good people.’ Maybe in this society they’re decent honest people. But that doesn’t mean that they don’t worship Satan. Because all those things are Satan worship.

You look at all the other religions of the world. Like this one here, *World Scripture*.

- you have from Buddhism
- you have from Muslim
- you have from Hindu
- you have all of these things—*World Scripture*

I’ve had this book for years. like I said. That’s an amazing thing! Now notice, there’s a deadly wound. I don’t know what this deadly wound will be. But, suppose it may be this [speculation]: The Jews build the temple. And when they build it they think the Messiah is going to come. *That’s bringing the Messiah by your own works!*

Is anyone going to force God to do anything? *No way!* So, ***if*** the Beast Power comes in saying:

I’m God and all the world is worshipping me. And you have a temple here that is called the Temple of God. Well I’m going to go in there and show you that I am God.

- Is that when he receives the deadly wound?
- Because the Jews will come after him to try and kill him for going into the temple?

I don’t know! We have all of these things developing right now. ***Think about it!***

- we’ve got the digital currency
- we have the buying and selling
- we have the religions coming together
- we have all the trouble and abominations and sin and killing
- we have all of the things at the end-time

All going on right now while I’m speaking to you!

We don’t know what’s going to happen. And how bad it’s going to get, but all of these things are already in motion.

How long will it take for it to develop into the fullness of its prophesied completion? *We don’t know! We don’t know!*

Rev. 18—here we have the demise of Babylon the Great. There are some people who say that the United States is Babylon. It may be part of Babylon the Great somewhere down the road.

Here’s what. God says to us; what God says to all of those who profess any form of Christianity:

Revelation 18:1: “And after these things I

saw an angel descending from heaven, having great authority; and the earth was illuminated with his glory. And he cried out mightily with a loud voice, saying, ‘Babylon the Great is fallen, is fallen, and has become a habitation of demons, and a prison of every unclean spirit, and a prison of every unclean and hated bird; because ALL nations... [there are going to be not one that will not be subject to it] ... have drunk of the wine of the fury of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth have become rich through the power of her luxury’” (vs 1-3).

Isn’t it interesting, what is being talked about financially right now: A Golden Age *for America and the world!*

Think about all the business things going on. Quite an amazing thing.

Verse 4: “And I heard another voice from heaven, saying, ‘Come out of her, My people...’”

That’s repentance; that’s what Bruce Bird was talking about! Recognizing that living in sin must cease. You must come to God and repent of those sins!

“... ‘Come out of her, My people, so that you do not take part in her sins, and that you do not receive of her plagues, for her sins have reached as far as heaven, and God has remembered her iniquities’” (vs 4-5).

And here is what God is going to do. This is going to be quite a thing. The return of Christ is going to be an absolute disastrous event, almost beyond description.

- for all the disaster that is going to happen
- because of the wars and fighting

Trying to repel the return of Christ! So, God says:

Verse 6: “Render to her as she has rendered to you; and give to her double, even according to her works. In the cup that she mixed, give her back double.”

Then all of the eliminating of Babylon the Great. This is what we’re looking at today. And what we’re seeing with this situation that just occurred is a foretaste of how things are going to come.

Is there going to be any way they’re going to stop transgenderism? *They may try!* But look at what happens when they try and change it. *You can’t change it!* Remember what Jesus said:

By thinking or taking thought. You can’t make one hair white or black. Nor can you add a cubit to your height.

Think about that! Since you can’t even do that which Jesus said is the least, There are no way

that a man can become a woman or a woman become a man! ***That is an absolute defiance against God!***

- it brings trouble
- murder
- every evil under the sun

With the implacable attitude of Sodom and Gomorrah!

Remember what happened when the two angels came to take out Lot. There were two angels that came, and they came like men.

What happened when all the men of Sodom saw them. So we got to know these men. We need to bring them in and initiate them in our sexual immoralities and abominations.

Lot tried to get them to go; they wouldn’t go. He even offered his daughters, which he knew they would never take in the first place. The only way to stop it was the angels struck them with blindness, because they were there rioting at Lot’s house to try and get these men.

That’s the same kind of attitude. That we see today. With all these trans people. And the same thing even in the House of Representatives of America, that all the Democrats, satanists would not even give due respect to Charlie Kirk. Then online, how many people were rejoicing that he was killed?

What was written on the bullets? Pro-trans! The one who was the assassin was living with a transgender. Supposedly, a man who wants to be a woman.

The abominations in their practices are so evil that God says in Leviticus ***that they are worthy of death!***

- think about that with the school system
- think about that with the morals in the country
- think about that within the religions that are around us

All of these things are there, and here we are. Some of us have been in the Church for decades and decades, and now the time is coming. We see all of these things developing.

- we need to stay close to God
- we need to watch and understand what’s going on we need to be careful of what we do
- we need to make some provision for desperate times that will probably come
- we need to make some provision for sustaining life for at least a period of time

because we don’t know what it’s going to be!

- What are you going to do?
- What is it going to be?

- Have you ever thought about this?
- What is it going to be when they won't take any cash and you can't barter?

If you try and do anything, you're going to be caught and executed!

How far down the road is that? *There are people out there today who would do it today!* That's what this assassination is all about. ***'We're going to kill anybody who believes in a true God.'***

I don't know about you, but it's taken me over two days into three days since this has happened, and I still haven't recovered from the shock of it, and the dastardly things that they have done.

I can't help but admire Kirk's wife, now a widow, to stand there and say that we are going to expand *Turning Point USA*. So, we'll see what happens. But these are dangerous and terrible times. Let's see if we can understand that God has said that these things are going to take place. We've seen all of these things in detailed prophecies.

And remember this: **Every word of God will be fulfilled!**

- no man can stop it
- no man can modify it

All of the religionists out there, you better ***repent and stop all of your false preachings*** about when Christ may return or not return or what you need to do.

IF you think you believe in God, ***THEN*** preach His Word! ***Not your own ideas!*** There we have it. We're living in these terrible times, just like I started out there in the book of Ezekiel. ***The city is filled with bloody crimes!*** And isn't that true? Look at what had to happen in order to clean up Washington, D.C. What is it going to be when the troops move into Chicago? Or into Massachusetts? ***Because the only way you're going to bring any law and order is to go in and enforce it! And even if you do it:***

- Do you change people's minds? ***No! Some, maybe!***
- Do you change the motivation of these abominable acts of these sexual deviants, perverts and trans-whatever?
 - Why don't you do us all a favor and transform yourself into a snake so we can know that you're truly an agent of Satan the devil?
 - Why don't you do that? ***Because that's exactly what they are!***

Let's hope and pray for all the brethren:

- that we stay close to God
- that we study

- that we pray
- that we yield to God
- that we don't get all caught up in these things in the world that are going to end up in total disaster

Pray for the protection and safety of the brethren! Who knows who's going to come along and kill whoever?
